

2023-2024 Tuition Agreement

Dear Parents,

We really appreciate the efforts you made last year towards fulfilling tuition payments. As you know by now, at **Mesivta Shaarei Chaim**, we aspire to spare no expense in providing for your son's needs, leading to his ultimate success. Without your partnership in your son's **חינוך**, it would not be possible to continue the great work that we are doing. Last year's tuition rate was in sync with other local *Mesivtos*, though still on the low side. We did our best to keep the rates down, though we had to raise them slightly to reflect rising costs across all areas of the globe. The amounts listed below reflect our best estimate of what it actually costs to be **מחנך** each *talmid*. Every reduction of that amount paid is money that needs to come from elsewhere. Below please find the tuition agreement for this year of **Mesivta Shaarei Chaim**:

Name of Talmid: _____

<i>Tuition Rates 2023-2024 תשפ"ג - תשפ"ד</i>	
<u>Item</u>	<u>Amount</u>
Tuition	\$12,000
Meals	\$3,750
Misc. (textbooks, extracurricular, etc.)	\$1,150
Total	\$16,900

For any parent who wishes to request a tuition reduction: While we appreciate any additional amount you can offer to get closer to the actual costs, if your financial situation is the same as last year, the amount we agreed upon last year is still acceptable. There is no need for you to submit a new tuition reduction request. However, please note that this school year is more than 10 months due to it being a leap year. We would appreciate if you add another half payment to your commitment. If we debited your bank account last year, there is no need to resubmit your bank information (unless it has been changed/updated). Simply send in this signed agreement.
